I request that payment of Medicare, Medicaid, or any other supplemental or secondary insurance benefits be made on my behalf to Carteret Foot & Ankle Specialists for any services provided by the physician or group. Policies concerning insurance

- For the purpose of payment, I allow Carteret Foot & Ankle Specialists to release my Private Health Information including illnesses and treatments to any and all of my insurance carriers, their third payors and claim reviewers, until the claim is resolved. For the purpose of treatment, I also allow the above listed practice to release my information or contact any and all my treating physicians.
- I, the undersigned, certify that I (or my dependent) have insurance coverage and assign directly to Carteret Foot & Ankle Specialists all insurance benefits, if any, otherwise payable to me for services rendered. OR I, the undersigned, certify that I do not have insurance and that payment for all services rendered will be due on date of service. I hereby assign all medical benefits directly to Carteret Foot & Ankle Specialists for the payment of any services rendered.
- You must provide personal (address, phone numbers, etc.) and/or insurance changes (carriers, networks, ID number, etc.) to the office prior to your appointment. I authorize the use of my signature on all insurance claim submissions. I understand I may revoke this release only in writing.
- You are responsible for all authorizations/referrals/precerts needed to seek treatment with Carteret Foot & Ankle Specialists' physicians. I understand that it is ultimately my responsibility to know and understand my insurance plan.
- Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file all insurance claim for you with insurance companies with which we are under contract. When you do an assignment of benefits, you are agreeing to have your insurance company pay the doctor directly. If your insurance company does not pay the practice within 60 days, the patient or guardian seeking care for a minor, will be responsible for payment of services. You are encouraged to contact your insurance company with any questions.
- We have made prior arrangements with insurers and other health plans to accept assignment of benefits. We will bill those plans with which we have an agreement and will require you to pay the co-pay, co-insurance, and deductible at the time of service. It is illegal for our office to waive or not collect co-pays, co-insurances, or deductibles from an insured patient. If you are seeing our doctors on an “Out of Network” basis, you will be subject to our out of network rates.
- Not all services are a “covered” benefit in all insurance policies; some plans even impose a waiting period before covering services. In the event your health plan determines a service to be not covered for any reason, or you do not have an authorization, you will be responsible for all charges. We will attempt to verify benefits for some specialized services. However, you remain responsible for charges to any service rendered. Patients are encouraged to contact their insurance company representatives for clarification of benefits prior to services rendered.

By signing below, you acknowledge and agree to all above mentioned insurance policies.

- Prior to any services rendered, I may request a financial estimate. I understand that unsatisfactory results do not prevent me from paying any outstanding amounts related to any medical treatment. Your portion of payment for ALL office services is due at the time of service. We will accept VISA, MasterCard, cash, or check. You agree to allow us to keep your credit card information on file securely.

Additional fees

- There is a $200.00 fee for all pre-scheduled surgical procedures which are not canceled within 10 days prior to procedure. We suggest you carefully select your surgical date to avoid this charge. Some items are covered by a warranty, which will be discussed at the time the products are dispensed, and can be brought back to the office for replacement under the warranty.
